

Dear Julie -

What a year!

You've held this group
together with grace,
Patience, and grit!

I thank you, everyday,
for the safe, warm,
cozy environment and
exceptional staff. You
are the best in the
business. No question
about it.

I hope 2021 is a lot
calmer and we
can all get back to
holding our loved
ones and giving
you all more relief.

Thanks for sharing
Maggie with everyone.
Margie loves her

I hope you find time
to spend with your family.
Wishing you a very
Merry Christmas and 2021.
