

I was relaxing
with my evening
mug of hot cocoa
when I came across
your name on the
nice list...

And I wanted
to say great job
on being so wonderfully
kind and helpful
to others.

Inside you'll
find a little
something extra
from me and the
elves!

Love Always,
Santa Claus

You deserve
a holiday filled
with magic!

We are so blessed
when we found you -
your love and care
gave our mom comfort and
a full life the past few
years - You and your
staff are angels.
Blessings on all

Nancy & Christine
